SEVEN MARKS OF A TORN VEIL

Hebrews 10:1-18

Introduction: The historical reference to what is referred to in Hebrews 10 is given us in the Gospels. There we learn that simultaneous with the death of Christ the veil was rent. There are some remarkable resemblances between the shadow and the Substance. **Matthew 27:45-52**

I. First, the veil was rent while hanging between heaven and earth: so Christ was smitten while suspended from the Cross. **Matthew 27:48-51**

II. Second, the veil was rent in twain from the top. This showed it was down by the same Hand as had fallen so heavily on the suffering Substitute: **Matthew 27:51**

Psalm 38:2; Psalm 42:7; Psalm 88:6-7; Isaiah 53:10; Zechariah 13:7
This is the only type where God Himself represented by His own act that it was His hand which smote the Lord Jesus!

III. Third, it was rent "from the top to the bottom"—not an inch of it was left untorn: so the atoning work of Calvary was a complete one, nothing being left for the sinner to do or add. **Matthew 27:51**

IV. Fourth, it was rent "in the midst" **Luke 23:45**

V. Fifth, the veil was rent the moment that Christ died **Matthew 27:50**

VI. Sixth, as soon as the veil was rent it was changed from a barrier to a gateway: the moment Christ died a "newly-slain and living way" was opened for sinners to God. **Hebrews 10:19-21**

VII. Seventh, it is deeply significant that the Holy Spirit has linked together the rending of the veil with the opening of the graves, though in time the latter did not occur till after Christ's resurrection. **Matthew 27:51-52**

Conclusion: Hebrews 10:22-25
