Conclusion - Application - Implications for Worship

- 1. The pursuit of joy in God is not optional. It is our highest duty.**
- 2. Another effect of saying that the essence of worship is satisfaction in God is that worship becomes radically God-centered.**
- 3. Finally, the last effect of saying that the soul of worship is being satisfied with God is that this accounts for why Paul makes all of life an expression of worship in Romans 12:1, "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service."**
