**GREETING**

**&**

**ANNOUNCEMENTS**

MY HOPE IS BUILT ON NOTHING LESS

(THE SOLID ROCK)

**My hope is built on nothing less  
Than Jesus' blood and  
righteousness  
I dare not trust the sweetest  
frame  
But wholly lean on Jesus' name**

**On Christ the solid Rock I  
stand**

**All other ground is sinking  
sand**

**All other ground is sinking  
sand**

When darkness hides His  
lovely face

I rest on His unchanging grace  
In every high and stormy gale  
My anchor holds within the  
veil

**On Christ the solid Rock I  
stand**

**All other ground is sinking  
sand**

**All other ground is sinking  
sand**

His oath, His covenant, His  
blood

Support me in the whelming  
flood

When all around my soul  
gives way

He then is all my hope and

stay

**On Christ the solid Rock I  
stand**

**All other ground is sinking  
sand**

**All other ground is sinking  
sand**

When He shall come with  
trumpet sound

O may I then in Him be found!  
Dressed In His righteousness  
alone

Faultless to stand before the  
throne!

**On Christ the solid Rock I  
stand  
All other ground is sinking  
sand  
All other ground is sinking  
sand**

# REVELATION SONG

---

Worthy is the Lamb who was  
slain

Holy, Holy is He

Sing a new song to Him who  
sits on

Heaven's mercy seat

Holy, Holy, Holy  
Is the Lord, God Almighty  
Who was and is and is to come  
With all creation I sing  
Praise to the King of Kings  
You are my ev'rything and I will  
adore You

Clothed in rainbows  
of living color

Flashes of lightning, rolls of  
thunder

Blessing and honor, strength and  
glory and power be

To You the only wise King

Holy, Holy, Holy  
Is the Lord, God Almighty  
Who was and is and is to come  
With all creation I sing  
Praise to the King of Kings  
You are my ev'rything  
And I will adore You

Filled with wonder, awestruck  
wonder

At the mention of your name  
Jesus, Your name is power  
breath and living water  
Such a marvelous mystery

Holy, Holy, Holy  
Is the Lord, God Almighty  
Who was and is and is to come  
With all creation I sing  
Praise to the King of Kings  
You are my ev'rything  
And I will adore You

**HOW GREAT  
THOU ART**

O Lord my God  
When I in awesome  
wonder  
Consider all the worlds  
Thy hands have made

I see the stars

I hear the rolling thunder

Thy power throughout the  
universe displayed

Then sings my soul  
My Savior God to Thee  
How great Thou art  
How great Thou art

Then sings my soul  
My Savior God to Thee  
How great Thou art!  
How great Thou art!

And when I think  
That God His Son not  
sparing  
Sent Him to die  
I scarce can take it in

That on the Cross  
My burden gladly bearing  
He bled and died  
To take away my sin

Then sings my soul  
My Savior God to Thee  
How great Thou art  
How great Thou art

Then sings my soul  
My Savior God to Thee  
How great Thou art!  
How great Thou art!

**When Christ shall come  
With shouts of  
acclamation  
And take me home  
What joy shall fill my heart**

And I shall bow  
In humble adoration  
And then proclaim  
"My God, how great Thou  
art!"

Then sings my soul  
My Savior God to Thee  
How great Thou art  
How great Thou art

Then sings my soul  
My Savior God to Thee  
How great Thou art!  
How great Thou art!

How Great is Our God

The splendor of the King

Clothed in majesty

Let all the earth rejoice

All the earth rejoice

He wraps Himself in light  
And darkness tries to hide  
And trembles at His voice  
And trembles at His voice

How great is our God

Sing with me

How great is our God

And all will see

How great, how great

Is our God

Age to age He stands  
And time is in His Hands  
Beginning and the End  
Beginning and the End

The Godhead, three in one

Father, Spirit, Son

The Lion and the Lamb

The Lion and the Lamb

How great is our God  
Sing with me  
How great is our God  
And all will see  
How great, how great  
Is our God

Name above all names

Worthy of all praise

My heart will sing

“How great is our God!”

(repeat)

How great is our God  
Sing with me  
How great is our God  
And all will see  
How great, how great is our  
God  
(repeat)

Indescribable

From the highest of heights  
To the depths of the sea  
Creation's revealing Your  
majesty

From the colors of Fall  
To the fragrance of Spring  
Ev'ry creature unique in the  
song that it sings

All exclaiming

Indescribable, uncontainable

You placed the stars in the

sky

And You know them by name

You are amazing God

All powerful, untamable  
Awestruck we fall to our  
knees

As we humbly proclaim  
You are amazing God

Who has told every lightning  
bolt where it should go  
Or seen heavenly storehouses  
Laden with snow

Who imagined the sun  
And gives source to its light  
Yet conceals it to bring us  
The coolness of night

None can fathom

Indescribable, uncontainable

You placed the stars in the

sky

And You know them by name

You are amazing God

All powerful, untamable  
Awestruck we fall to our  
knees

As we humbly proclaim  
You are amazing God

Indescribable, uncontainable

You placed the stars in the

sky

And You know them by name

You are amazing God

All powerful, untamable  
Awestruck we fall to our  
knees

As we humbly proclaim  
You are amazing God

ELDER ORDINATION

Leland Traylor

The heavens declare the glory of God;  
the skies proclaim the work of his hands.

Psalms 19:1

# Apologetics

1<sup>st</sup> Peter 3:15

But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect.

# Does knowledge and logic lead to Salvation?

- Thank goodness NO
- Even the demons believe- James 2:19
- For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God—<sup>9</sup> not by works, so that no one can boast. Ephesians 2:8-9
- Lies about science and false logic can lead people astray

# So why apologetics.....

- We are commanded to 1 Peter 3:15
- Counter the lies that the devil
- To teach new believers..... Discipleship
- Inoculate new believers

# How are we doing...

- 70-75% of Christian youth leave the church after high school (see survey data at [Barna](#) and [USA Today](#)).
- Christian youth in America are not being taught to cross examine the skeptical and atheistic views they encounter when they leave home.

# We Believe..

God is the creator and has left evidence of His power in his creation. That should be obvious to anyone who looks and is the beginning of wisdom. Man has a built in need to seek meaning in life, and to seek the creator- this is unique to man among all life. Looking at creation is the first step to finding God.

## Romans 1:18-22

The wrath of God is being revealed from heaven against all the godlessness and wickedness of people, who suppress the truth by their wickedness, <sup>19</sup> since what may be known about God is plain to them, because God has made it plain to them. <sup>20</sup> For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse. <sup>21</sup> For although they knew God, they neither glorified him as God nor gave thanks to him, but their thinking became futile and their foolish hearts were darkened. <sup>22</sup> Although they claimed to be wise, they became fools.

# What about miracles beyond science?

Miracles are a key point of contention between believers and atheists. If miracles exist, the atheist's whole argument breaks down and they have to face God.

When confronted with "intelligent design" they will often invoke aliens.

1 Corinthians 2:14

The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness, and cannot understand them because they are discerned only through the Spirit.

# Solomon tried to find God thru knowledge

- Wrote Ecclesiastes as a result
- Concluded it is impossible to understand the work of God  
Ecc 11:5
- The fear of the Lord brings true wisdom
- Man's understanding is limited by God's design
- The purpose of wisdom is to bring faith

# Where faith and science collide...

- God created the universe vs natural processes
- Life was created by God vs evolution
- God created man vs man evolved from apes
- God of the Bible is the God of the universe vs no God
- Jesus Christ is the Messiah vs Jesus was a man

# Did God create the World?

- Two views- God Created the World vs The world created by Natural processes.
- Evidence- First and Second Laws of thermodynamics
- Evidence- Probability the earth exists suitable for life

# God vs Evolution- Life from Chemicals

- Popular in the 19<sup>th</sup> century before the complexity of life discovered
- Simplest life is incredibly complex; more complex than an F-15
- The machinery of life must be running at the time of it's beginning
- Natural process leading to life is the equivalent of believing an F-15 could pop out of the rocks containing raw materials, fully running.
- Not even close to reproducing life in the lab even with extensive intelligent (human) design.
- Most popular theories involve aliens

# Evolution

- Bible supports microevolution not macroevolution
- No examples of transitional species, large jumps now the theory
- New DNA required for new abilities (example eye), no examples of new functional DNA from mutations.
- DNA is complex and must be perfect to work (computer code example)
- Current theory has many problems, does not pass giggle test

# Man in Gods image vs evolved from apes

- 98% of genes in common with apes, 40% with bananas
- Science cannot provide transitional species.
- Mans genetic code is relatively uniform, indicating recent common ancestor.
- Recent research on negative type blood indicates the human race should not exist. Most plausible explanation- aliens

# Aliens vs God of the Bible

- Bible backed up by archeological evidence
- Bible backed up by extra biblical accounts
- Bible supported by prophesy
- Bible absolutely consistent

# Jesus of the Bible- the Messiah

- Messianic prophecy- astonishing in their accuracy, Jesus had no control of many of them.
- Life and teaching of Christ
- His death and resurrection
- Seen by hundreds, including many still alive
- Actions of the disciples
- Miracles recorded in the gospel

# Summary

- God is the logical explanation for science
- Science and the Bible not in conflict
- The truth will counteract the lies of some science teachers
- Be ready with your answer

Take Me In

Awesome God

Take me past the outer  
courts

Into the Holy Place

Past the brazen altar

Lord I want to see your face

Pass me by the crowds of people  
And the priests who sing your  
praise

I hunger and thirst for Your  
righteousness

But it's only found in one place

Take me into the Holy of Holies

Take me in by the blood of the  
Lamb

Take me into the Holy of Holies

Take the coal, touch my lips,  
here I am

Our God is an awesome God  
He reigns from heaven above  
With wisdom, power, and love  
Our God is an awesome God

Take me past the outer  
courts

Into the Holy Place

Past the brazen altar

Lord I want to see your face

Pass me by the crowds of people

And the priests who sing your

praise

I hunger and thirst for Your

righteousness

But it's only found in one place

Take me into the Holy of Holies

Take me in by the blood of the  
Lamb

Take me into the Holy of Holies

Take the coal, touch my lips,  
here I am

Our God is an awesome God  
He reigns from heaven above
