

PURE AND UNDEFILED RELIGION James 1:26-27

1. "To those who by patience in well-doing seek for glory and honor and immortality, he will give eternal life; but for those who are self-seeking and do not obey the TRUTH, but obey unrighteousness, there will be wrath and fury." Romans 2:7
2. True religion or faith is observable by the CHANGE that has taken place in how one thinks, acts and speaks. It is a reflection of the inward condition of the heart, mind, and soul.
3. It is Christians who are to expose mankind's CRUELTY to one another and to show the world a better way by shining God's light into the darkness.
4. Although the majority of people in New Mexico claim to be Christian, this comes into question when they REFUSE to take a stand against abortion, which denies the humanity of a defenseless baby.
5. If God so cares for children who have been orphaned, would he not also be concerned for children whose lives are ENDANGERED by their parents?
6. "For the life of the flesh is in the BLOOD, and I have given it for you on the altar to make atonement for your souls, for it is the blood that makes atonement for the life." \ Leviticus 17:11
7. The rights of the weak are defined by the WILL of the strong.
8. God's calling to "visit" those in need carries wonderful, redeeming overtones. What a great calling for the church! We are to visit, to care for, to defend ALL people, born and unborn!
9. The greatest criticism from pro-choice people of those who are pro-life is that pro-lifers care ONLY for babies and not for women.
10. May God grant us the ability to speak the language of COMPASSION to orphans, to widows, to helpless children, and to people in affliction. Our language of compassion must be followed by acts of compassionate love and mercy!
