Web Linking Practices

Web Linking Practices (Links to Third Party Sites)

Canyon Bible Church may provide access to information, products or services offered on web sites that are owned or operated by other organizations ("third party web sites"). We provide this access through the use of hyperlinks that automatically move you from a Canyon Bible Church web site to the third party site.

While we do our best to provide you with helpful, trustworthy resources, Canyon Bible Church cannot endorse, approve or guarantee information, products, services or recommendations provided at a third party web site. Because we may not always know when information on a linked site changes, Canyon Bible Church is not responsible for the content or accuracy of any third party web site. Canyon Bible Church shall not be responsible for any loss or damage of any sort resulting from the use of a link on its web sites nor will it be liable for any failure of products or services advertised or provided on these linked sites.

Canyon Bible Church offers you links on an "as is" basis. When you visit a third party web site by using a link on a Canyon Bible Church site, you will no longer be protected by the Canyon Bible Church privacy policy or security practices. The data collection, use and protection practices of the linked site may differ from the practices of Canyon Bible Church sites. You should familiarize yourself with the privacy policy and security practices of the linked web site. Those are the policies and practices that will apply to your use of the linked web site, NOT the Canyon Bible Church policies and practices.

Here are some tips to help you tell if you have left a Canyon Bible Church web site:

- Instead of a Canyon Bible Church address, the URL of the linked web site appears in the location box (or address field) of your web browser.
- The linked web site is shown in a new browser window. The appearance of the linked site, including its colors and graphic design, is significantly different from the Canyon Bible Church site.
- The linked site or page does not appear in a new browser, but you find one or more of the following:
 - The logo of a different company appears in a prominent location on the linked web site.
 - The layout and content of the navigation tools on the right-hand side of the linked site or in the header at the top of the new web site are different from Canyon Bible Church navigation.
 - One of the navigation links refers to a description of the company that sponsors the web site. It may be titled "About (Third Party's Name)."
 - A third party's privacy policy and terms of use statement are identified instead of Canyon Bible Church's.
 - Information in the footer at the bottom of the web site contains information about a company other than Canyon Bible Church.

Concerns regarding Web Linking Practices may be directed to Webmaster@CanyonBible.org.
